Coronavirus Response and Relief Supplemental Appropriations Act (CRRSAA)

The Coronavirus Response and Relief Supplemental Appropriations Act CRRSAA was signed into law on December 27, 2020. The CRRSAA established additional funding through the Higher Education Emergency Relief Fund (HEERF II) to address needs directly related to the Coronavirus.

The College of Menominee Nation received these supplemental grants from the Higher Education Emergency Relief Fund (HEERF II):

- **Student Aid Portion** – \$87,845. This aid is designated to provide financial aid grants to students
- **Institutional Aid Portion** – \$373, 567. This aid can be used to defray expenses associated with the coronavirus, student support activities that address needs related to the coronavirus, or make additional financial aid grants to students.

CRRSAA – HEERF II Student Grant Information

Summer 2021 Session

Similar to the Coronavirus Aid, Relief, and Economic Security (CARES) Act with HEERF I funds, the CRRSAA - HEERF II funds are distributed as grants with appropriate use stipulations. The CRRSAA student grants must be used to cover expenses related to the student's cost of attendance or for emergency costs that arise due to the coronavirus, such as tuition, food, housing, transportation, health care (including mental health care), or childcare. Unlike the CARES Act, the CRRSAA requires that institutions prioritize students with exceptional need, such as students who receive Pell grants, and authorizes grants to students exclusively enrolled in distance education.

Student Eligibility

It is the goal of CMN to distribute the CRRSAA student grants in an equitable manner, while prioritizing students with the greatest need. The College recognizes our students have been impacted by the coronavirus pandemic and also faced financial challenges.

To be eligible, students must meet the following criteria:

- Be a U.S. citizen or national, permanent resident, or other eligible noncitizen.
- Must use the CRRSAA student grant to cover expenses from any component of the student's cost of attendance and/or emergency costs that arise due to the coronavirus, such as tuition, food, housing, health care (including mental health care), or childcare incurred after December 27, 2020.
- Be enrolled in at least one credit hour for Summer Semester. Students who have completely withdrawn or stopped attending all of their classes before June 25, 2021 are not eligible for a CRRSAA student grant.

Student Award Amounts

CMN will calculate the award for the summer 2021 session based on the student enrollment status as of June 25, 2021.

Higher Education Emergency Relief Fund II			
EFC Type	\$0-\$3000 EFC	\$3001-\$5700 EFC	Not Pell Eligible

Half-Time	\$650	\$600	\$550
Less than half time	\$550	\$500	\$450

Application Process

To expedite the distribution of funds, the College **eliminated** the application process. CMN has already identified students who meet the eligibility requirements and the Financial Aid Office will notify students by email.

Note: All checks will be issued and mailed to the students address on file. By accepting the payment, students are certifying that they will use the CRRSAA student grant to cover expenses from any component of their cost of attendance and/or emergency costs that arise due to the coronavirus, such as **tuition, food, housing, transportation, health care (including mental health care), or childcare incurred after December 27, 2020.**

Students will receive this funding directly, unless the student has given written, affirmative consent to apply the grant toward the student's account balance.

Check or Direct Deposit Distribution dates

CMN will mail or deposit money to students July, 9 2021.
