

AODA Counselor

Associate of Applied Science Sciences
68 Total Credits

The Associate of Applied Science-Technical Studies Degree in Human Services/AODA Counselor Program provides students with course work and hours of study required to become certified as an AODA Counselor. This program is accredited by the Wisconsin Certification Board.

Students will meet all course requirements of the State to become Certified AODA counselors and will be allowed to formally begin the practical requirement of working to complete the required number of counseling practice hours. Upon graduation, students receive credit for 500 hours of field experience and 125 hours of counseling experiences.

The Wisconsin State Legislature requires a background check under the Caregiver Law §48.685 and 50.065 Stats. Students may not be able to work in this field with certain legal convictions.
